## PAT BRASSINGTON

### Centre for Contemporary Photography Limited Edition Print

5 September—21 September 2014

Centre for Contemporary Photography is thrilled to announce leading Australian artist Pat Brassington as our Limited Edition Print artist for 2014.

Brassington has released a special edition of her print *Quiescent* 2014 exclusively for CCP. This colour print will be available exclusively as a fundraiser print in an edition of 8 + 2 artist's proofs.

Don't miss this opportunity to purchase the work of one of Australia's key artists whilst supporting one of Australia's premier venues for the exhibition of contemporary photo-based arts.

Centre for Contemporary Photography is a not-for-profit organisation that generates over 60% of its income through fundraising and community support. Purchases from the Centre for Contemporary Photography Limited Edition Print fundraiser will directly support the artist and enable CCP to continue to provide a context for the enjoyment, education, understanding and appraisal of contemporary practice.

In 2013, she won the prestigious Bowness Photography Prize. Her major survey exhibition *À Rebours*, curated by Juliana Engberg for ACCA in 2012, is currently touring
